About our company

AgroSouz is a multi-brand Russian company founded in 2003. The company's head office and main manufacturing facilities are located in the most eco-friendly region of Russia, Tambov region.

We manufacture and distribute snacks made of specially selected sunflower seeds, pumpkin seeds and peanuts. We sell our products in all regions of the Russia and in more than 35 countries around the world. Our company is one of the TOP-3 producers of the packaged seeds in Russia.

Our mission is to create the energy through our products and pass it on to the World.

We are proud of our achievements that are proved by our awards at the prestigious international exhibitions.
