Co barre CHOCOLAT

In 2020, LLC "V.A.Sh. SHOKOLATIE+" made a decision to systematically rebrand its products: the brand name Cobarde El CHOCOLATE is changed to Co barre de CHOCOLAT.

Cobarde El CHOCOLATE is rebranded to Co barre de CHOCOLAT to preserve the original name sound and spelling as much as possible without making drastic changes in the design of the product packaging.

The new brand Co barre de CHOCOLAT is inspired by images of French confectionery products and elegant melodious intonations of the French language.

In XVII - XIX centuries, the French language was the second language in Russia which is known from literary works by such writers as Lev Tolstoy, Alexander Chekhov etc. This legacy makes our brand familiar and friendly to Russian consumers.

Brand name Cobarde El CHOCOLATE
is changed to Co barre de CHOCOLAT.
