ADVANTAGES OF OUR DESIGN SERVICE

► Experienced Professional Design Team

With a team of 12 designers, proudly over 10 years of experience in packaging designs, we have worked with well known brands such as Marriott, Disney and Starbucks, etc.

► Cost-effective Design Service

Designing will be provided free of charge for larger orders while the fee of designing for smaller orders will be at a lower rate to support all our customers.

► All-in-One Service

As a one stop solution partner for packaging needs - designing, sampling, production, QC and logistics will be coordinated in an effective manner to avoid & overcome mistakes.
